**Old business:**

--Quilts of Valor: Dan Jaeger took \$500.00 check to Wakefield Quilts of Valor and ordered quilts for Veteran's Day program. They should have 10 quilts to present. Dan will contact the members to be in attendance. The list of names provided at the last meeting was: Larry Hansen; Reed Wacker; Dennis Jensen; Duane Thies; Dennis VanHouten; Victor Mann; Dalbert Gowler, JR; and Stan Stenwall. Not sure if this is all the names turned in for Quilts. Randy Marks may have been added to the list. Not sure who the other names are to make 10 members.

### **New Business:**

--Question was asked by Earl about Insurance through The American Legion. The Legion does not carry insurance. An insurance company may be authorized by the Department DEC to utilize The American Legion name and emblem, but it must be approved by National to do so. Any company using the Legion emblem must be approved by National and the Department DEC has to approve any solicitation using the Department of Nebraska.
